- Deskworkers perform a variety of clerical tasks, including answering phones and general questions about the program, data entry, copying, filing; they may also serve as lab managers during the week in the evenings and on Sundays.

In order to be effective in any of these positions at Achieve, you must:

- Be personable, reliable, punctual, adaptable, proactive, and easily accessible by phone and email.
- Have at least a 3.0 GPA.
- Be willing to commit to a full semester of work.
- Have 2-4 hour blocks of time to work.

Payroll steps will be discussed at the time of interview if you are hired.

Thank you for your interest in student employment with the Achieve Program!
